Greetings to all relatives,

My first year as communications chair started early. I took over early for the former chair, Suzanne, as she requested to step down early due to medical issues.

Throughout the year, we have provided news releases on behalf of the Native American Indian Caucus and on behalf of the NEJNAMC for various events that have occurred over the year. We have promoted educational materials around MMIWG (Murdered Missing Indigenous Women and Girls) and Indian Boarding Schools.

Our website continues to provide information for public consumption. During the last year, we have offered 2,005 page views and had 729 unique visitors. There has been a low volume of visits throughout the year with spikes in traffic during our annual meeting time.

In the coming year, we hope to make some improvements in overall navigation of our website to help ease locating the wealth of resources that our site offers.

Blessings,  
Todd Warfield  
NEJNAMC Communications Chair
