

Dear Brothers and Sisters of the NEJCONAM, I greet you in the name of Jesus Christ. Over the last couple of years the Susquehanna Conference CONAM has been going through a period of change as most of the members have moved on from the committee. Therefore, there has been no activity in the Susquehanna Conference CONAM to report.

However, I do have some good news to report. Within the last nine months, I have had positive conversations with the new Susquehanna Conference DCOM, Rev. Dr. Kathleen Kind and our conference appointed liaison Kevin Witt, who serves as the Director Age Level and Beloved Community Ministries in our conference. These conversations have been productive in helping to identify native people within our conference through whom we will seek to reform our CONAM. We are also discussing creative ways we can serve native people within our conference. I am very hopeful that the Susquehanna Conference CONAM will be present next year. We appreciate your prayers as we discern our next steps.

Peace and Blessings,
Rev. Rick Robinson
Susquehanna Conference CONAM Chair
